Lowest pitch on a standard tuned guitar is E2
 Highest pitch on a standard tuned, 24 fret guitar is E6

E2 (string 6) - E3 (strings 6, 5, 4) - E4 (strings 6, 5, 4, 3, 2, 1) -
 E5 (strings 3, 2, 1) - E6 (string 1) this gives a four octave range

An 88 key modern piano goes from A0 - C8
 Middle C = C4 is notated on the first ledger line below the treble clef.
 When notating for guitar, C4 (see map above) is notated on the 3rd space of the treble clef.
